Curriculum Development and Implementation with Infants and Toddlers

Presented by:
Behavioral Building Blocks

This is an 8-week course, running Monday evenings
6:00 p.m. – 8:30 p.m.
April 14 th – June 2 nd

Learn how to develop structured teaching activities that the entire staff can run. Attendees will have weekly activities demonstrated in class to take back and try on their own. Learn what infants, toddlers, and preschoolers should know and how to modify any activity for different age groups.

Attendees will also learn how to find teachable moments in everyday activities and how to motivate children to participate and learn new skills.

This course will contain many hands-on demonstrations and will allow attendees the opportunity to videotape activities and bring them to class for feedback from the instructor.

Application for TWO GENERAL CEU’S for course completion is pending
