WHAT IS BAAM?
The Behavior Analysis Association of Michigan has been organized to support and promote scientific research on the basic principles of behavior and the extension of those principles to create demonstrably effective and humane outcome-based therapies with the primary goal of establishing and enhancing functional independent living skills.

WHO SHOULD COME?
Behavior Analysts, psychologists, mental health workers, social workers, nurses, researchers, physicians, teachers, professionals, administrators, direct care staff, OTs, PTs, therapists, students, parents, and anyone else interested in the scientific understanding and effective application of the basic principles of behavior.

For questions on BAAM membership, conference registration fees, and proposal submission guidelines, contact BAAM by e-mail at: baam@emich.edu or visit the Web site: www.baam.emich.edu
